

THE CHARTER FOR THE HORSE

As responsible members of the equestrian community, we pledge to this charter for the ethical and fair treatment of all horses and other equids under our care.

Empathy

Recognising horses are intelligent and emotional beings, we always prioritise their mental and physical health and overall wellbeing.

Care

Throughout their entire life, during exercise and rest, we offer horses a secure and suitable setting to create positive experiences that address their social, behavioural, nutritional and physical needs for a high quality of life.

Respect

Through compassionate, mindful, patient and empathetic interaction, we foster positive relationships with horses based on trust and respect.

Consideration

Each horse is an individual, and we strive to understand and meet their specific needs, including how they learn. We don't push horses beyond their health, fitness or ability levels, and we never let competitive or commercial influences compromise their welfare.

Ethics

In all our equine interactions, whether for leisure, training or sport, we adhere to the highest standards of equine welfare, safety, equipment, veterinary care and biosecurity, always guided by ethical principles.

Learning

Through continuously improving our equine knowledge, we evolve our behaviours based on education and informed advice from qualified professionals and the broader equestrian community.
